SECOND SEMESTER 2019/2020 (February 24 - June 12, 2020)

Lecture room 1

	MON	TUE	WED	THU	FRI
10-11	Satellite remote sensing	Satellite remote sensing	Fund. Space Syst. - Navig.	Fund. Space Syst. - Navig.	Num. model. space struct.
11-12	Satellite remote sensing	Satellite remote sensing	Fund. Space Syst. - Navig.	Fund. Space Syst. - Navig.	Num. model. space struct.
12-13	Electr. space telec. syst.	Electrical power systems	Satellite remote sensing	Electrical power systems	
13-14	Electr. space telec. syst.	Electrical power systems	Satellite remote sensing	Electrical power systems	
15-16	Num. model. space struct.	Orbit determination	Electr. space telec. syst.	Orbit determination	
16-17	Num. model. space struct.	Orbit determination	Electr. space telec. syst.	Orbit determination	
17-18	Electromagnetic compat.	Dual use of space sytems	Electromagnetic compat.	Dual use of space sytems	
18-19	Electromagnetic compat.	Dual use of space sytems	Electromagnetic compat.	Dual use of space sytems	

Lecture room 2

	MON	TUE	WED	THU	FRI
10-11	Flight mech. launch syst.	Aerodyn. cont. rar. flows	Flight mech. launch syst.	Aerodyn. cont. rar. flows	
11-12	Flight mech. launch syst.	Aerodyn. cont. rar. flows	Flight mech. launch syst.	Aerodyn. cont. rar. flows	
12-13		Optim. contr. flight mech.		Optim. contr. flight mech.	
13-14		Optim. contr. flight mech.		Optim. contr. flight mech.	
15-16	Radar telemetry		Radar telemetry		
16-17	Radar telemetry		Radar telemetry		
17-18					
18-19					

Lecture room 3

	MON	TUE	WED	THU	FRI
10-11	Law in space activity	Adv. topics aerosp. eng.	Law in space activity	Adv. topics aerosp. eng.	Adv. topics aerosp. eng.
11-12	Law in space activity	Adv. topics aerosp. eng.	Law in space activity	Adv. topics aerosp. eng.	Adv. topics aerosp. eng.
12-13	Low thrust propulsion		Low thrust propulsion		
13-14	Low thrust propulsion		Low thrust propulsion		
15-16	Life support systems	Fund. nuclear engineering	Life support systems	Fund. nuclear engineering	
16-17	Life support systems	Fund. nuclear engineering	Life support systems	Fund. nuclear engineering	
17-18	Formation flying	Space explor. robotic syst.	Formation flying	Space explor. robotic syst.	
18-19	Formation flying	Space explor. robotic syst.	Formation flying	Space explor. robotic syst.	

	first year mandatory
	first year optional (3 courses out of 7)
	second year mandatory
	second year optional (1 course out of 4)
	second year optional (1 course out of 12)
